REFERENCE: JUNE MONTHLY REPORT (05/01/2010 - 05/31/2010)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 4 item(s):

1. Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$663.28 from "Automatic Data Processing" for "Refund - Insurance"; however, your report(s) does not appear to disclose a disbursement to this entity for this purpose. Please provide clarifying information regarding this activity and amend your report(s) if necessary.
2. Schedule A supporting Line 15 of your report discloses an offset to an operating expenditure(s) totaling \$16,037.04 from "Duncan Hunter for Congress," "Friends of John Boehner," "Friends of Bill Posey," "Ileana Ros-Lentinen for Congress," "Ken Calvert for Congress," "Royce Campaign Committee" and "Edonation"; however, your report(s) does not appear to disclose a disbursement to this entity. Please provide clarifying information regarding this activity and amend your report(s) if necessary.
3. Schedule B supporting Line 28(a) discloses a refund of \$1,000 on 5/13/10 for a contribution received from Gary Martilla. On Schedule A supporting Line 11(a)(i) of this report, you disclose a negative entry of \$960. However, this individual appears to only have contributed \$1,002 to your committee. Please amend the appropriate report(s) to clarify this discrepancy as well as to disclose the original date of the contribution(s) on Schedule A supporting Line 11(a)(i) of the Detailed Summary Page.
4. Schedule E of your report indicates that your committee may have failed to timely file one or more of the required 24 hour notices regarding "last minute" independent expenditures totaling \$8,882.58 opposing Mark Critz. A political

committee must file a 24 hour report with the Federal Election Commission as specified in 11 CFR §104.4(c), within 24 hours of any independent expenditures of \$1,000 or more with respect to a given election, made between two and twenty days before an election. The notice must be received by the Commission by 11:59 p.m. on the day following the date on which independent expenditures that aggregate \$1,000 or more are publicly distributed or disseminated. These expenditures must then be fully itemized on Schedule E, or as memo entries on Schedule E and reflected on Schedule D if distributed or disseminated prior to payment, of the next report required to be filed by the committee.

The Commission notes your FEC Form 99 submitted on 5/10/10, which states: "Please note that the television commercial reported to the FEC on May 10, 2010 and run as part of the NRCC[']s Independent Expenditure effort in the May 18th election in Pennsylvania[']s 12th Congressional District was scheduled to air for the first time on May 10, 2010. Due to a station error, WTAJ-TV 10 in Johnstown, Pennsylvania put the commercial into rotation on May 8, 2010 at 6:28 p.m. The station did not notify the NRCC nor any agent of the NRCC that the commercial was put into rotation on May 8, 2010, instead of May 10 as planned. The NRCC learned of the station[']s error on May 10, 2010, and filed the Independent Expenditure report immediately to disclose the previously unreported media production expense of \$8,882.58. However, the airtime for this ad had previously been disclosed on the NRCC's Independent Expenditure filing of May 2, 2010."

Although the Commission may take further action concerning this matter, your prompt response will be taken into consideration. 11 CFR §104.3(b)

Please note, you will not receive an additional notice from the Commission on this matter. Adequate responses must be received by the Commission on or before the due date noted above to be taken into consideration in determining whether audit action will be initiated. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action. **Requests for extensions of time in which to respond will not be considered.**

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended. If you should have any questions regarding this matter or wish to verify the adequacy of your response, please contact me on our toll-free number (800) 424-9530 (at the prompt press 5 to reach the Reports Analysis Division) or my local number (202) 694-1157.
